Grandio Summit 12'x8'

You asked for it, and we listened! Our designers have been busy developing and engineering the new Grandio Summit greenhouse. With the same attention to detail as our previous models, the Summit is perfect for personal, educational, and light commercial applications. Featuring 10mm twin wall polycarbonate panels, 42"x86" doorways, and a peak roof height of 9', the Summit is our largest and most advanced offering yet. Starting at 12'x8' and extendable to 12'x32' in 4' and 8' increments, the Summit offers flexibility for future growth. **Go BIG with Grandio!**
